Industry Experience

WeCan{Code}IT, Cleveland, OH

Software Developer – May 2020 to Present

Currently engaged in a 5-star-rated coding boot camp, learning full-stack development from expert instructors and intensive hands-on projects. This camp is allowing me to brush up on the programming and development skills I used early on in my career as well as learn some new skills in a collaborative team-based as well as independent setting.

Wynning Edge Woodcraft

Owner – October 2017 to Present

- Developed and executed large scale home renovations for over 25 clients
- Invested in and completed short-term home investments/remodels with partner investors
- Built custom furniture and woodcraft projects to meet client specifications and expectations
