

# Tiah Campbell

## SOFTWARE DEVELOPER

Strategic software developer with a background as a personal and group fitness trainer. That experience built a foundation of consistency and commitment. Comfortable and effective with communicating new concepts to customers and teammates. Adapted from building targeted workouts, to building user focused full stack software. Seeking a team to build my career with.

- JavaScript, Visual Studio Code, Git, OOP, HTML, CSS
- [github.com/TiahCampbell/DonutClicker](https://github.com/TiahCampbell/DonutClicker)

### Professional Experience

#### Ganley Honda

Car Sales Professional, 10/19–04/20, North Olmsted, OH

- Guided clients through the process of selecting and then buying or leasing their next vehicle.
- Ensured client experience was exceptional in customer service from beginning to end.
- Translated complex vehicle information into digestible narratives for clients.
- Followed up with new internet leads daily, resulting in a top tier closing rate for internet leads.

#### 9Round Fitness

Trainer, 11/18–10/19, Avon, OH

- Trained and coached clients through all fitness and kickboxing movements.
- Maintained high energy support and motivation through each class.
- Presented prospective members with membership options, highlighting the benefits, and signed up new members weekly.
- Designed complex plans for each new member to reach their fitness goals.
