SOFTWARE DEVELOPER

Professional software developer with very strong communication skills. A varied skill set that includes coding, design, and an education in human-computer interaction. Effective in collaborating with a team ranging from technical experts to those with limited industry experience. Looking to further my career in software development at a company that values collaboration and continued learning.

TECHNICAL INVENTORY

Java • JavaScript • MVC • HTML • CSS • TDD • Object Oriented Programming (OOP) • JSON • Restful APIs • Responsive Design / Mobile • Relational Databases • Source Control / GitHub

SOFTWARE DEVELOPMENT EXPERIENCE/PROJECTS
